

## ***“YOUR BODY DOES NOT LIE”***

*We want you to be the judge... join us in a HYPNO-KINESIOLOGY INTENSIVE and find out just how - by using the way our muscles are able to resist a gently applied pressure in response to our what we are thinking and feeling - we can know WHAT WE REALLY THINK AND FEEL...*

### **DO YOU:**

- Want to have greater insight.....?
- Believe that your way of thinking and feeling cannot be changed.....?
- Want to discover the real you waiting inside.....?
- Interested? Then ... learn and experience Hypno-Kinesiology.....

### **THE BENEFITS ARE A GREATER UNDERSTANDING OF:**

- Your Thoughts/Beliefs at the unconscious level;
- The way you are effected by your physical and mental/emotional environments;
- The techniques that you can use to check, change, and maintain your own mental emotional state and change and install optimum mental/emotional states in others by creating conscious-unconscious congruency.

**This intensive introduces you to A DIRECT METHOD OF ACCESS TO THE UNCONSCIOUS MIND without the use of a formal hypnotic induction process.**

The topics covered are:

- |                                      |  |
|--------------------------------------|--|
| • Muscle Testing.                    | • The ‘Centering Button’   |
| • Clearing Stress with Fast Anchors. | • The ‘Thymus Tap’.  |
| • The ‘Set and Release’ Procedure    | • Stress.  |
| • Testing for Emotional Ambiguity.   | • ‘Smiling’ and ‘Nodding’  |
| • Emotional State Management.        | • Creating ‘Whole Mind’ Thinking.  |
| • Personal Environment Testing       | • Creating ‘Whole Mind’ Thinking and Balancing the body’s energy system. |
| • The ‘Zip Manoeuvre’.               | • We are remarkably sensitive to stress.                                 |
|                                      | • Mind Balance and Vitality.   |
